

## Matt Quinlan

Matt's initial year on the Board of the New York State West Youth Soccer Association (NYSWYSA) was 2009-2010. Matt made the transition from the Treasurer's role at Irondequoit Soccer Club (ISC) where he served for six years.

Matt has been a life-long resident of Irondequoit, NY. Matt enjoys his time in his hometown with his wife of 20 years and his three daughters. Matt grew up playing ice hockey and played soccer as a second sport. He never lost his passion for soccer and fortunately his daughter's participation in the game drew him back. Since then, his passion for soccer has been rekindled and he especially enjoys coaching and youth development.

As Treasurer of ISC he successfully established a formal accounting and financial reporting system. Using this system the Club was able to obtain real-time financial reports and develop an annual budget process.
