- 2) I coach a team located within the boundaries of Eastern New York Youth Soccer Association but we play in NYSW leagues and tournaments. Can we compete in the NYSW State Cup Championship ?

No. The majority of the players on a team competing in the NYSW State Cup championship must reside within the boundaries of NYSW.

- 3) Is an indoor league acceptable as a qualifying league?

No it is not acceptable as a qualifying league.

- 4) Is there a minimum number of age appropriate players required for an age group?

Yes, the majority of players on a team must be the age of the age group in which the team is participating in the State Cup that seasonal year. The majority shall be defined as 50% of the roster plus 1 player. See Rule 7203, Section 1, Item 6 of the US Youth Soccer NYSW National Championship Series Policy/Rules. This document can be found on the NYSW State Cup website. Please review.

- 5) Are there any restrictions to a younger player playing in an older age group?

Yes there are restrictions. These restrictions are covered in Rule 7203, Section 2, Item 4 of the US Youth Soccer NYSW National Championship Series Policy/Rules. This document can be found on the NYSW State Cup website. Please review.

- 6) Does someone have to represent a team for the blind draw?

A team representative's presence won't influence the draw. It does allow them, however, to receive the results first hand, meet Cup committee members along with other team representatives and allow them to ask questions directly. It also provides an opportunity to view the playing venues.

- 7) What happens if SAT test day falls on the Saturday of the Finals weekend?

In these cases, NYSW has always worked to schedule the 16 and Under and 17 and Under late in the day on Saturday to provide them the best opportunity to take the test. However, there is no guarantee that this will be possible. Each player and their parent must decide what is in the best interest of the player.

- 8) Are there fees in addition to the registration fees that a team will incur?

Both teams will split the field and referees costs for the playdown game. So a team may incur additional costs if they participate in a play down game. The fee structure will be posted within a week of the Blind Draw.

- 9) With regard to the State Cup playdown match officials' fees, our team manager instructions say that **each team** pays the same amount toward the fees. Can you please tell me how that breaks down for each (Referee, and two AR's) official?

The home team fee covers the Referee while the Away Team fees are divided evenly between the two Assistant Referees.

- 10) How many playdown games do we have to play?

The number of playdown games your team would play depends on the number of teams entered in your division. Please see playdown examples on the website and in the Appendix of the NYSW National Championship Policy/Rules.

- 11) If I start different players at the beginning of the second half than those that ended the first half on the pitch, or if I start different players for overtime than those that ended regulation on the pitch, are those considered substitutions

PLAYERS are defined as anyone taking the field, in this instance, at the beginning of each half or of overtime. THEY ARE NOT CONSIDERED SUBSTITUTES for any reason. PLAYERS may be replaced by a substitute but cannot reenter in that half.

With the check-in limit at 18, that means that you will only be allowed AT MOST, 7 substitutions per half or overtime.

IF you only check-in 16 players, your substitution would be limited to 5 per half or overtime.

- 12) If a game goes to overtime and/or penalty kicks, it is not clear if players who came out of the game in the second half will be allowed back into the game for overtime? Also, if the game continues to penalty kicks, which players are eligible to participate?

Once overtime begins, any player who is substituted out of the game may not return to the match or be used in Kicks from the Mark.

The ENTIRE overtime period is considered one period, even though there is a brief break to switch sides.

Only players on the field at the end of the match may be used in the FIFA Kicks from the Mark.

- 13) We want to make sure we have everything we need for our **playdown** game.

We need to bring:

1. Player passes?  
Yes. The pass must contain a picture of the player and be sealed.
2. Coaches passes?  
Yes. The pass must be signed by the coach as their name appears on the front of the pass and it must be sealed.
3. State Cup roster – printed on any paper – don't need to sign anything right?  
Yes, two copies of the official state cup roster printed on any paper.
4. Do we need to bring & show medical releases?  
Medical Releases are not required for playdown matches. They are however required for the Final 4 tournament.
5. Money for referee?  
Each team must bring the appropriate fees. Fee structure can be found in the email sent from [statecupchair@nyswysa.org](mailto:statecupchair@nyswysa.org) and on the NYSWYSA website.
6. Money for field rental?  
No. The field fees will either be deducted from your refund in the event you do not win your only/final playdown match or they will be billed to your club should you win and advance to the Final Four. The fees must be paid before Final Four registration. Fee structure can be found on the NYSWYSA website.

14) How and to whom do I report the playdown match results?

**Both teams** will use the **PhoneItIn** application or call 866 334 6294 to communicate the results for the match. **Include** PIN #, game number, team names and scores

15) Where can I find results of the playdown matches?

Results are posted on the State Cup page of the NYSWYSA website.

16) How many games will my team play each day at the Final Four tournament?

Teams in the 12 and Under through 14 and Under divisions inclusive will play two (2) games on Saturday and one (1) game on Sunday.

Teams in the 15 and Under through 19/20 and Under divisions inclusive will play one (1) game each day of the competition.

17) How do I obtain the NYSW Official witness signature on the Commitment Form?

The Commitment Form **along** with the Code of Conduct will be required **if** your team advances to the Final Four weekend. These documents will be provided by the Cup Committee at the Final Four registration table and will need to be signed at the time of registration. You may elect to print the documents from the website and fill them out in advance and bring them with you.

18) How do I obtain a Blue Roster

Blue rosters have been replaced by a National Championship Series (NCS) roster. The Cup Committee will have the NCS roster available for each team at registration for the Final Four tournament.

19) Do all players have to be present for registration?

All players must register in person. However, you do not need all players present to begin the registration process. Teams that have 50% or more of their players present

during the designated registration times can begin the process.

- 20) Several players will arrive after the designated registration times for the Final Four. What arrangements should we make for them to register and play?

The registration official will check all the documentation (player pass, Medical Release, proof of residency) for all players listed on the team. For those players not present at the designated registration time, the Registration official will hold their passes at the registration table. When the players arrive at any subsequent time during the competition, they will need to proceed to the registration table and sign the roster. The Registration official will then release the pass to the player. From there, they can proceed to the pitch and play.

- 21) What arrangements will be made for players that cannot make the Final Four weekend but would be available should the team advance to the Region I Finals?

If they are not available for the entire weekend and you advance to the Region I Final, they will need to sign the roster upon arrival at that event. NYSW will forward their pass to the Region I registration committee.

No the team does not have to be in uniform for registration.

- 25) Some parents submitted a photocopy of the school report for proof of residence. Is that acceptable?

Yes it is acceptable.

26) Some school reports say the student's name, such as John Smith, at the top; then at the bottom after the grades it has the parent's names and address, such as Mr. & Mrs. Thomas Smith, 2 Main St, Penfield, NY. Is that acceptable?

Yes it is acceptable.

27) Some school reports (electronic or paper copy) do not include a school address. Is that acceptable
